

PLACEMENT CELL

Training and Placement Cell

The Training and Placement Cell of Sinhgad College of Commerce is committed to preparing students for successful careers by bridging the gap between academic learning and industry expectations. The Cell serves as a dynamic platform for career guidance, skill enhancement, industry interaction, internships, and placement opportunities, enabling students to become competent professionals and responsible citizens.

Recognizing the evolving demands of the corporate world, the Cell focuses on developing students' technical knowledge, communication skills, leadership qualities, problem-solving abilities, and professional ethics. Through continuous interaction with industry experts and recruiters, students gain valuable exposure to current industry practices and emerging career opportunities.

Placement and Career Guidance

The Placement and Career Guidance Centre undertakes a variety of initiatives throughout the academic year to enhance students' employability and career readiness. The Centre organizes:

- Career counselling and guidance sessions.
- Aptitude and employability skill development programmes.
- Soft skills, personality development, and communication skills workshops.
- Resume writing, group discussions, and mock interview sessions.
- Guest lectures, seminars, and interactive sessions by industry professionals.
- Internship opportunities in collaboration with corporate organizations.
- Pre-placement talks
- Entrepreneurship awareness programmes and career development workshops.

These initiatives enable students to identify their strengths, make informed career choices, and confidently face the recruitment process.

Campus Recruitment

The Training and Placement Cell maintains strong relationships with leading organizations across diverse sectors and regularly facilitates campus recruitment drives. Students are provided opportunities to interact with recruiters through pre-placement presentations, internships, and selection processes.

Leading organizations from the banking, finance, information technology, retail, insurance, manufacturing, education, and service sectors participate in the placement activities conducted by the College, offering students a wide range of career opportunities.

With a strong focus on industry-academia collaboration, the Training and Placement Cell of Sinhgad College of Commerce continues to nurture skilled, confident, and industry-ready graduates who are well-equipped to excel in their professional careers and contribute meaningfully to society.
